To Whom It May Concern:

Re Mrs Claire Battle

I was to confirm that Claire Battle has worked as the Credit Controller for a company called Business Education Support & Technologies Ltd in connection with a funding facility with us.

During the time she worked for this company, the facility with us was run very well, achieving good cash collections each month against the outstanding debtors.

If you require any further information, please do not hesitate in contacting me on the above number.

Yours Faithfully

Darrell Indge
Client Manager
